Re: Submission of Study in Response to
Comprehensive Data Call-In Notice for
Data on Para-Dichlorobenzene

Dear Mr. Kempter:

Enclosed please find three originals and one copy of a study titled "An Acute Inhalation Toxicity Study of Para-Dichlorobenzene In The Rat." This study is submitted on behalf of the Chlorobenzene Producers Association and its member companies, Monsanto Company, PPG Industries, Inc., and Standard Chlorine Chemical Company. The study is submitted in response to Data Requirement Guideline 81-3 in the Comprehensive Data Call-In Notice for Para-Dichlorobenzene issued October 21, 1987 and received on November 16, 1987.

We are delivering the study to this address to facilitate your review of the materials and to avoid delays caused by the internal mail system at EPA.
